*Established in 2016 in Geneva, the Friends of Multilateralism Group (FMG) is a think tank of independent experts firmly committed to promoting multilateralism and shared growth within the multilateral trading system (MTS).*

*FMG endeavors to buttress efforts by Members, both delegations and capital officials, on WTO reform and other issues of importance to the MTS and help them restore the centrality of the WTO for the governance of trade and investment. provides high-quality, independent and expert advice through a series of activities and products, including research, debates, consultations and policy advice, to help build a positive eco-system to inform and support potential compromises and landing zones for the sustainability of the multilateral trading system.*
